

CHILDREN OF THE IMMACULATE HEART

Dear Friends in Christ,

Around this time of year, there is a concentration of beginnings of all sorts. First, we have the beginning of the liturgical year with the first Sunday of Advent. Shortly after, we have the Immaculate Conception, the beginning of Our Lady's life. Next there is Christmas, the beginning of Our Lord's life outside the womb of His mother. Then there is the beginning of the new calendar year the same day that we celebrate Our Lord's circumcision, in a sense His entrance into the life of the Jews. Lastly, we have Epiphany and the Baptism of Our Lord, which mark the beginnings of His manifestation to the world as the Messiah.

In this time of beginnings, it is fitting to reflect on what our clients so strongly desire: a new beginning, a chance to start over. With everything that they have suffered and lost, it can be nearly impossible to simply stop and reflect on anything, let alone choose a new life path and plan how to follow it. At CIH, we are aware of the importance of giving clients two chances, seven chances, and even seventy-times-seven chances (Matthew 18:22). How often does God give us chances to start again? Every time we approach Him with sincere repentance, every time we make a good confession of our sins. Our Lord offers us a beginning every time we desire one, a practice we aim to replicate at CIH.

Please pray for the clients who are beginning their time with us and those who have recently graduated, beginning their time without us.

Yours in Christ,
Irene Sipprelle
